

No Touch Exit Sensor

Technical Details:

- LED Indicators : Blue LED- Standby;
- Green Led- Visitor detected
- Contact rating : 3A / AC 120V , DC 30V
- Input Volt : 12V DC
- Operating Temperature : -20° ~ +55°
- Weight : 80gm
- Dimension : 76 x 76 x 5 mm (3 x 3 inch)

Special Features:

- Touch free Exit Sensor
(Diffused Detection)
- Optical / Infrared Technology
- IP-55 Ingress Protection
(Stainless steel plate)
- User Friendly (Healthy Protection)
- Detection range : up to 4 inches (10cm)
Normally open / Normally close /
Common relay output

K-1 No Touch with Device Connection
